Terms and Conditions

Mustang Depot is not affiliated with Ford Motor Company. Mustang Depot reserves the right to refuse or cancel any order at any time!

Your access to and use of the *Mustang Depot*, including any purchase made using our web site is exclusively governed by these terms and conditions and any others contained on this web site (collectively, "Terms and Conditions"), as may be supplemented by applicable law. By accessing, using or purchasing products from *Mustang Depot*, you agree to be bound by the Terms and Conditions. The Terms and Conditions may be changed at any time without prior notice. We will make changes by modifying our web sites. Your continued access to or use of the modified web sites conclusively demonstrates your acceptance of those changes prospectively. No other provisions or changes are binding upon us unless reduced to writing and signed by an authorized *Mustang Depot* representative. If any provision of the Terms and Conditions or any application thereof is held to be invalid or unenforceable for any reason, that provision shall be deemed severable and the remainder of the Terms and Conditions and the application of that provision in other situations shall not be affected. All pictures herein are for representation purposes only. Although we do our best to provide as clear and accurate pictures as possible, the picture may be of a product similar to the actual one (ie different year, etc) Some of the products we sell are for racing and off-road vehicle only, lighting products are solely as auxiliary lighting. Please check with your local DMV or vehicle department for regulations and information. Mustang Depot is not responsible for any legal issues regarding any of the products purchased from this site. For your own concern, please make sure of your orders and the legality of the product before making any purchases. We reserve the right, without liability or prior notice, to revise, discontinue, or cease to make available any or all products or to refuse or cancel any order.

Shipping Terms

Mustang Depot will process all orders received the day after the order is received. We do not guarantee stock. If the item is currently available, the product will ship the day following the order date, with respect to the type of delivery service requested by the customer. (For example; If you order something on Monday selecting the Next Day Air Option, if the product is available, your order will be processed and shipped on Tuesday and you should receive it by Wednesday) This does not include weekends and holidays. We are not liable for shipping charges, for items that are not currently in stock. We will ship the item the manner in which it was ordered (i.e. Next Day, 2nd Day) whenever the product is or becomes available... There are no refunds given for shipping charges! We will do our best to fill orders that we don't have currently in stock. We have a network of affiliates, which allows us the ability to pursue the product from other sources. However, it is not too uncommon for nationwide backorders to be in effect due to manufacturer hold-ups on certain items. The term used herein as "Free Shipping" only applies to "Ship To" addresses within the continental USA only. When a product is deemed "Free Shipping," other shipping options including 3 Day, 2nd or Next Day Air, will have to be paid separately. On large items deemed "Truck Freight Collect" the bill for freight will be due upon arrival of the parts. Shipping charges are, in all cases, the complete responsibility of the customer and *Mustang Depot* will not be liable in any case for shipping charges incurred by the customer. This includes both from the origin to the customer and from the customer to the origin. We do not currently accept international orders...

Other Policies

Special Order Items - Some items listed in this catalog are made to order by the manufacturer. These **Special Order** items require pre-payment by debit card, credit card, or wire transfer and are not returnable. **Back Orders** - Items temporarily out of stock will be placed on back-order unless you indicate that a refund should be made. All shipping charges on regular domestic orders are charged on the initial order, so back orders are shipped at no additional charge. Back ordered items usually are shipped within 30 days, however, availability can change and Mustang Depot reserves the right to cancel any back order and issue a refund. **Refused Shipments** - The customer is responsible for freight both ways on any shipment for which delivery is refused. **Sale Items** - At no time are refunds given on items that may go on sale after purchase.

Within 30 days of your purchase, items can be returned to Mustang Depot via UPS for a refund. There is a **20% restocking fee** imposed on all goods returned for a refund! In-Store Credits can be issued in the full amount of the product, less shipping charges! Shipping charges are always non-refundable! **Either way, it's necessary to obtain a Return Goods Authorization (RGA) number from Mustang Depot.** Obtaining an RGA number ensures that the return process is handled efficiently and that credits are issued in a timely manner. Within 30 days of receipt of items purchased from Mustang Depot customers may choose to return:

- Any new item in original packaging and original/unused condition
- If you install the item(s), it will be deemed un-returnable.
- Any used Core, as long as it is shipped in the box that contained the new product
- Any item received in a damaged or defective condition
- Any item received in a damaged or defective condition.
- Any item received in error.

Goods Not Accepted for a Return

- If you purchase a product and find it doesn't fit due to any modification to the car from stock (ie. Engine Swap, Transmission Swap)
- No return on electrical parts, books, special order items, or items we disclaim in advance...

Obtaining a Return Goods Authorization Number When you plan to return items via UPS to Mustang Depot, it's necessary to obtain a Return Goods Authorization (RGA) number. RGA numbers help us process returns quickly and efficiently. Please Call (702) 262-0011 or email customerservice@mustangdepot.com for your RGA number request. Please include the reason for the return, date the order was placed, your order number, name, phone number, and shipping address.

Returning Items to MustangDepot.com Simply take your package to any location that has regularly scheduled UPS pick-ups. You may want to check with your place of employment to see if they have regular UPS pick-ups. Or, you can call 1-800-PICK-UPS (1-800-742-5877) or visit the UPS Web site at www.ups.com/using/services/locate/locate.html. As long as your return address label is attached and the RGA number is included, it will insure the prompt and efficient handling of your return. **Please note: you must insure the item with the carrier for the total amount of the sale!**

Credit and Return Shipping Costs Within 15 business days of receipt of your returned item, you will be issued credit for the original purchase price, plus applicable sales taxes, and less applicable re-stocking charges. Core credits will also be processed within 15 business days.

If the reason for your return was caused by Mustang Depot, or one of our business partners (i.e., damaged or defective items, wrong part shipped), we will cover the freight charges on the replacement items. All other returns (i.e., didn't want, doesn't like) will be limited to the invoiced price less a 20% restocking fee, and less the shipping charges. In-store credits can be issued for the full purchase price of the goods, less shipping charges.
