

MUSTANG DEPOT

Cooling

By Pass Hoses

These are the best concourse by-pass hoses on the market. All made in the USA by Gates or Goodyear both suppliers to Ford Motor Co, also approved by the Mustang Club of America. All feature special white ink markings that have been designed to adhere to the hose under normal conditions, imprint will not come off even when in contact with antifreeze. All have imprints that are very crisp authentic. Each imprint is concourse correct for the specification year. Represented by an oval FoMoCo, rectangle FoMoCo, Autolite logo or Motorcraft. All hoses are also approved by Ford Motor Co. Note: Our part numbers are for reference only and do not reflect part numbers imprints on hoses...

Part #	Description	Price
C2DZ-8597-A	1964-66 By-Pass Hose (FoMoCo)	\$5.95/ea

Fan Shrouds

OEM Style Fan Shroud - Exact copy of original shroud Ford used to help the cooling system work more efficiently. Stamped steel...
NEW! High Performance Fan Shroud - These newly designed Fan Shrouds for the 1964-66 8 cylinder Mustangs are extremely efficient in drawing in cool air through the radiator at low speeds and idle, which is when most over heating occurs. Original shrouds are less than 2 inches at their widest point. Our new shrouds are available in 3.5". Not only do our larger shrouds greatly enhance the cooling capabilities, they also offer more protection by doing a better job enclosing the fan blades. "Caution Fan" decal is also included. Made from a newly designed ABS Plastic mold with attaching hardware included. Radiator shroud brackets sold separately at bottom of order table... 1964-66 6 cylinder Mustangs can use the 3.5" shroud with minor trimming, especially on 6 cylinder cars with power steering and air conditioning.

Radiator Caps

NEW! Billet Radiator Caps

Continued on right side of page!

Radiator Caps Cont'

We offer radiator caps with a special magnesium sacrificial anode protects valuable engine components by allowing Electrolytic Metal Erosion to attack the anode. This protects valuable engine components like timing chain covers, radiators, heater cores, intake manifolds, freeze plugs, head gaskets, thermostat housings, even cylinder heads from premature failures. This special cap fits all years and is concourse correct for the 64-66 cars... 14 pound rating! An inexpensive way to protect your engine! It's **Rad Cap!**

The concourse quality caps are made in America and bear all the original markings. O.E.M. details include original letter style. "S.M.C.O." and "Autolite." Pound rating is stamped on cap. "S.M.C.O." caps are made by the original supplier to Ford... MCA approved..

Terms and Conditions

Mustang Depot is not affiliated with Ford Motor Company. Mustang Depot reserves the right to refuse or cancel any order at any time!

Your access to and use of the *Mustang Depot*, including any purchase made using our web site is exclusively governed by these terms and conditions and any others contained on this web site (collectively, "Terms and Conditions"), as may be supplemented by applicable law. By accessing, using or purchasing products from *Mustang Depot*, you agree to be bound by the Terms and Conditions. The Terms and Conditions may be changed at any time without prior notice. We will make changes by modifying our web sites. Your continued access to or use of the modified web sites conclusively demonstrates your acceptance of those changes prospectively. No other provisions or changes are binding upon us unless reduced to writing and signed by an authorized *Mustang Depot* representative. If any provision of the Terms and Conditions or any application thereof is held to be invalid or unenforceable for any reason, that provision shall be deemed severable and the remainder of the Terms and Conditions and the application of that provision in other situations shall not be affected. All pictures herein are for representation purposes only. Although we do our best to provide as clear and accurate pictures as possible, the picture may be of a product similar to the actual one (ie different year, etc) Some of the products we sell are for racing and off-road vehicle only, lighting products are solely as auxiliary lighting. Please check with your local DMV or vehicle department for regulations and information. Mustang Depot is not responsible for any legal issues regarding any of the products purchased from this site. For your own concern, please make sure of your orders and the legality of the product before making any purchases. We reserve the right, without liability or prior notice, to revise, discontinue, or cease to make available any or all products or to refuse or cancel any order.

Shipping Terms

Mustang Depot will process all orders received the day after the order is received. We do not guarantee stock. If the item is currently available, the product will ship the day following the order date, with respect to the type of delivery service requested by the customer. (For example; If you order something on Monday selecting the Next Day Air Option, if the product is available, your order will be processed and shipped on Tuesday and you should receive it by Wednesday) This does not include weekends and holidays. We are not liable for shipping charges, for items that are not currently in stock. We will ship the item the manner in which it was ordered (i.e. Next Day, 2nd Day) whenever the product is or becomes available... There are no refunds given for shipping charges! We will do our best to fill orders that we don't have currently in stock. We have a network of affiliates, which allows us the ability to pursue the product from other sources. However, it is not too uncommon for nationwide backorders to be in effect due to manufacturer hold-ups on certain items. The term used herein as "**Free Shipping**" only applies to "Ship To" addresses within the continental USA only. When a product is deemed "**Free Shipping**," other shipping options including 3 Day, 2nd or Next Day Air, will have to be paid separately. On large items deemed "**Truck Freight Collect**" the bill for freight will be due upon arrival of the parts. Shipping charges are, in all cases, the complete responsibility of the customer and *Mustang Depot* will not be liable in any case for shipping charges incurred by the customer. This includes both from the origin to the customer and from the customer to the origin. We do not currently accept international orders...

Other Policies

Special Order Items - Some items listed in this catalog are made to order by the manufacturer. These **Special Order** items require pre-payment by debit card, credit card, or wire transfer and are not returnable. **Back Orders** - Items temporarily out of stock will be placed on back-order unless you indicate that a refund should be made. All shipping charges on regular domestic orders are charged on the initial order, so back orders are shipped at no additional charge. Back ordered items usually are shipped within 30 days, however, availability can change and Mustang Depot reserves the right to cancel any back order and issue a refund. **Refused Shipments** - The customer is responsible for freight both ways on any shipment for which delivery is refused. **Sale Items** - At no time are refunds given on items that may go on sale after purchase.

Warranty Disclaimer; Limitation of Liability

Mustang Depot expressly disclaims, and the purchaser expressly assumes, responsibility for any incidental or consequential damages arising from any and all product failure, sold through *Mustang Depot*. Defective product liability is limited to the replacement/purchase price of the product and is provided by the manufacturer of the goods.. Any provision voided by state or other applicable law shall not act to enlarge other provisions of this warranty except as expressly required by law. *Mustang Depot* products are provided "AS IS." We do not make any representations or warranties, whether express or implied, regarding or relating to *Mustang Depot* or any associated hardware or software, including the content or operations of either. TO THE FULLEST EXTENT PERMITTED BY LAW, MUSTANG DEPOT DISCLAIMS ALL EXPRESS AND IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL MUSTANG DEPOT OR ANY OF ITS EMPLOYEES, DIRECTORS, OFFICERS, AGENTS, VENDORS OR SUPPLIERS (collectively, the "Mustang Depot parties") BE LIABLE FOR ANY DIRECT OR INDIRECT LOSSES OR DAMAGES ARISING FROM OR RELATED TO ANY PRODUCTS, SERVICES OR SOFTWARE PROVIDED HEREIN. This limitation of liability applies to all losses and damages of any kind whatsoever (whether general, special, consequential, incidental, punitive, exemplary, or otherwise, including loss of income, profits, or data), whether arising in contract, negligence or other tort theory, even if we have been advised of or should have known of the possibility of such losses or damages. The preceding Warranty Disclaimer and/or Limitation of Liability shall survive the failure of any exclusive remedy, but they may be prohibited or restricted by applicable law so they may not apply to you. YOU AGREE TO INDEMNIFY, DEFEND AND HOLD HARMLESS THE MUSTANG DEPOT PARTIES FROM AND AGAINST ANY AND ALL THIRD PARTY CLAIMS, DEMANDS, LIABILITIES, COSTS OR EXPENSES, INCLUDING REASONABLE ATTORNEYS' FEES, ARISING FROM OR RELATED TO ANY BREACH BY YOU OF ANY OF THE TERMS AND CONDITIONS OR APPLICABLE LAW, INCLUDING THOSE REGARDING INTELLECTUAL PROPERTY. All products herein are reproductions and not affiliated directly with either Ford or Shelby American unless noted. All Ford brand products are licensed by Ford through the respective manufacturer. Other products and companies referred to herein are trademarks or registered trademarks of their respective companies or mark holders. Information and prices are subject to change without notice.

Privacy Statement

We consider the personal information you choose to share with us to be confidential. We do not share any personal or identifying information you submit directly or through our web sites with any unaffiliated third party, unless it is necessary to respond to your inquiry or required by law. We train our associates to respect and protect our customers' privacy. We limit our associates' access to information about you, and stress the importance of your privacy with our associates. If you just view our web sites, we do not collect any personal or identifying information about you. We do monitor the number of visits to our web sites, but only in the aggregate. This information is important for us to provide the best possible service to you.

Return Policy

Within **30 days** of your purchase, items can be returned to Mustang Depot via UPS for a refund. There is a **20% restocking fee** imposed on **all** goods returned for a refund! In-Store Credits can be issued in the full amount of the product, less shipping charges! Shipping charges are always non-refundable! **Either way, it's necessary to obtain a Return Goods Authorization (RGA) number from Mustang Depot.** Obtaining an RGA number ensures that the return process is handled efficiently and that credits are issued in a timely manner. Within 30 days of receipt of items purchased from Mustang Depot customers may choose to return:

- Any new item in original packaging and original/unused condition
- If you install the item(s), it will be deemed un-returnable.
- Any used Core, as long as it is shipped in the box that contained the new product
- Any item received in a damaged or defective condition
- Any item received in a damaged or defective condition.
- Any item received in error.

Goods Not Accepted for a Return

- If you purchase a product and find it doesn't fit due to any modification to the car from stock (ie. Engine Swap, Transmission Swap)
- No return on electrical parts, books, special order items, or items we disclaim in advance...

Obtaining a Return Goods Authorization Number When you plan to return items via UPS to Mustang Depot, **it's necessary to obtain a Return Goods Authorization (RGA) number.** RGA numbers help us process returns quickly and efficiently. Please Call (702) 262-0011 or email customerservice@mustangdepot.com for your RGA number request. Please include the reason for the return, date the order was placed, your order number, name, phone number, and shipping address.

Returning Items to MustangDepot.com Simply take your package to any location that has regularly scheduled UPS pick-ups. You may want to check with your place of employment to see if they have regular UPS pick-ups. Or, you can call 1-800-PICK-UPS (1-800-742-5877) or visit the UPS Web site at www.ups.com/using/services/locate/locate.html. As long as your return address label is attached and the RGA number is included, it will insure the prompt and efficient handling of your return. **Please note: you must insure the item with the carrier for the total amount of the sale!**

Credit and Return Shipping Costs Within 15 business days of receipt of your returned item, you will be issued credit for the original purchase price, plus applicable sales taxes, and less applicable re-stocking charges. Core credits will also be processed within 15 business days.

If the reason for your return was caused by Mustang Depot, or one of our business partners (i.e., damaged or defective items, wrong part shipped), we will cover the freight charges on the replacement items. All other returns (i.e., didn't want, doesn't like) will be limited to the invoiced price less a 20% restocking fee, and less the shipping charges. In-store credits can be issued for the full purchase price of the goods, less shipping charges.

Thank you for choosing Mustang Depot!
