05-09 MUSTANG V6 BUMPER BILLET GRILLE

Hardware

4 -- bolts 4—nuts 2 -- Flange Brackets 2 -- J Hooks

NOTE: Be Careful not to scratch the grills Surface.

Step1.0--Insert the bolt into the inner tabs on the grille from the back of the grille, slide a J hook and nut on the screw.

Step2.0--Place the billet into the bumper openings and let it center, wrap the J hooks round the top of the center opening. Install the flange brackets with the bolt, nuts and nut on the outer tabs. The flange brackets hold the grille to the honeycomb area in the bumper cover opening. Use a Phillips screwdriver and wrench to snug the hardware down until the billet is held firmly.

The instruction here is for your reference only. You may need to bend the billet grille bars or tabs a little bit to adjust to fit. We strongly recommend the professional installer for best result. We are not responsible for any damage caused by the installation. Thank you for choosing our product!
