64-66 MUSTANG E2 Lower Side Billet Grill Set

Hardware

4 --1/8X 1/2 Rivets

Step1.0 -- Place left billet grill into left side hood opening and place right billet grille into right side hood opening. Make sure it is centered. (left and right grille installed only one way)

Step2.0 -- Marking in the place weld tab holes. then take away our new grill, drill an 1/8 hole on the position each marked.

Step3.0 – Replace the grill into side grill opening and center it, install with rivet.

Step4.0 – Repeat steps 3.0 for another grill. Install complete.

The instruction here is for your reference only. You may need to bend the billet grille bars or tabs a little bit to adjust to fit. We strongly recommend the professional installer for best result. We are not responsible for any damage caused by the installation. Thank you for choosing our product
